**This pre-qualification is valid through 5/31/16. A pre-qualification is not a commitment to enter into a loan by either party. All documentation (including, if applicable, updated or additional credit information) must be received by Marlin and a final credit review will be performed. This includes a review of updated business or personal bureau report(s) to verify that there has been no adverse change to your credit profile. If Marlin is unable to process your request, you will be sent a written notice. To qualify for a Funding Stream loan, majority owners of the business are required as a personal*

guarantor. Any existing daily or weekly payment working capital loans must be satisfied prior to or, if eligible, by the proceeds of a Funding Stream loan.

Marlin Business Bank® is a subsidiary company of Marlin Business Services Corp.® – a public company listed on NASDAQ (MRLN).
